

**September 13, 2010**

**Week of 9/13/10 - 09/17/10**

**The Allen Company started on the Nicholasville Downtown Streetscape Project on Monday, September 13, 2010 on the East Side of Main Street with demolition of curb, sidewalks and storm water facilities. Parking on Main Street from Oak to Maple on both sides will be temporarily removed until further notice. All left hand turns off Main Street may be difficult during peak times, because of the lack of turning lanes.**

**Please look for signage indicating temporary parking. Public parking is available on Second Street and Oak Street (across from Cundiff Funeral Home), South York and Maple Street (next to barber shop) and on street parking is available on York Street . Parking will not be affected on cross streets.**

**Construction will be moving from block to block. Please check back often for updates on [www.nicholasville.org](http://www.nicholasville.org) and [www.nicholasvillenow.org](http://www.nicholasvillenow.org).**

**There will be informational meetings on Mondays at 10:00 a.m. open to the public at City Hall.**
